

Capybara 2

By Nguyen Le Thao Nguyen

When Capy goes to shoes
for an excursion,
she goes on a bus.

Capy arrives at the shoes.

Capybara sister says: come down

There are shoes everywhere.

There are living shoes everywhere.

Capy shakes hand with the living shoes.

And they give Capy a gift.

And then Capy goes to eat with the shoes.

Thank you
for the nice
food.
